

## **Prof. (Dr.) Sarandeep Singh Puri delivers a lecture on 'Updates in the Bethesda System for Reporting Thyroid Cytology' at a National CME on 12th February 2026**

Dean Student Welfare, GS University, and Head, Department of Pathology, GS Medical College & Hospital, Professor (Dr.) Sarandeep Singh Puri, delivered a lecture on "Updates in the Bethesda System for Reporting Thyroid Cytology," during a National CME on Advances and Applications in Diagnostic Cytopathology, held on 12th February 2026 at Santosh Medical College & Hospital, Delhi-NCR. His erudite presentation was very well received in a special session on International Reporting Systems in Cytopathology. Prof. Puri shared the dais with an eminent galaxy of pathologists from Mumbai's Tata Memorial Centre, Indian Council of Medical Research, GIMS Noida and Aligarh Muslim University, bringing academic recognition to the institution.
